

# EGTG-1

Sizes listed are approximations.  
There is a .5" tolerance.

Red line is bleed line.  
Extend background  
to here.

## FRONT

Black line  
is approximate  
Gaiter size

Keep critical elements  
inside this dashed box.

1. Turn on layers palette in Illustrator. You will see there are two layers. The "Guides" layer and the "Art" layer. When submitting art you will either hide the Guides layer by clicking the "eye" icon or deleting the layer entirely.
2. Do not move the positioning of the front or back gaiter panel within the art board.

Red line is bleed line.  
Extend background  
to here.

## BACK

Black line  
is approximate  
Gaiter size

Keep critical elements  
inside this dashed box.
